## Sam Walker of ACSIA Partners LLC Offers “Decision Funnel” for Quick and Easy Long-Term Care Choices

Oklahoma City, OK May 31, 2017 -- Many Americans spend hours investigating long-term care options online, only to come away confused and dispirited. Now there's another way to go. It's a by-phone Decision Funnel designed to cut through the complexity. Offered by ACSIA Partners LLC, the service is delivered by real human specialists, not phone robots.

Available in all states, the specialists are licensed long-term care agents trained to cut through the confusion, make choices clear, and leave it at that. ACSIA Partners LLC is one of the nation's largest long-term care insurance agencies.

Going quickly down the Decision Funnel, “Our specialists will be in educator mode, not sales mode,” says Sam Walker, who represents the company in AR, OH, OK, PA, TN, TX. “They will quickly determine whether LTC protection is called for, and if it is, what kind might make sense. Then the call will end, often in just minutes.”

If information about specific financial instruments is desired, it may be supplied on a subsequent call, according to Walker. Depending on individual needs and financial circumstances, the instruments may be:

- Traditional long-term care insurance
- A variety of products offering long-term care riders
- Savings, such as a tax-advantaged Health Savings Account

The by-phone Decision Funnel sessions are available in all states for consumers, financial advisors on behalf of their clients, and companies exploring LTC protection for their employees.

Decision Funnel sessions may be requested from Walker at 405-816-0868.
